Speeding Up a Chemical Reaction Name: _____ Per. ____

https://youtu.be/OttRV5ykP7A

List the two characteristics of a successful collision.

1.

2.

List the 5 factors that speed up a chemical reaction (not the school analogy but the actual chemical reaction) and explain why it increases the rate of a chemical reaction.

Factor	Why?
1.	
2.	
3.	
4. .	
5.
