Alternative Energy Research Guide (scaffolding option)

Do research on each type of alternative energy source and use the table below as your guid for what to include in your research.

Pts.	Alternative Energy	Definitions	Specifics	Describe Pros	Describe Cons	Describe current research being done for this energy type	Location closest to our school of this type of energy use
15	**Solar**		2 Primary Uses	2 Pros	3 Cons		
15	**Wind**		Draw examples of 2 different blade types	4 Pros	3 Cons		
20	**Hydro Power**		Explain dams Explain the 2 lesser known forms 1. ocean thermal energy conversion 2.Tidal Power	4 Pros	3 Cons		
15	**Geothermal**		Explain Hydrothermal energy	2 Pros	2 Cons		
20	**Biomass**		Describe 4	2 Pros	2 Cons		

			types				
15	**Nuclear**		Describe 2 types	2 Pros	3 Cons
