Five (5) Minute Write Session

Directions: You will have five (5) minutes to write about your magical playground experience(s). If it were not magical, write about it anyway. 🙂

Depending on your resources/teacher, complete your writing on the bottom & back of this document or in your notebook/journal.

Expectations:
When the time is called, you must have written at least (6) complete sentences and your pencil should be down.

Prompt: Have you ever played on a playground in the park, at home or at school?

Questions to reflect on within (5) minutes.

1. What season was it when you played on the playground?
2. How did that experience make you feel?
3. How old were you?
4. Who was with you?
5. What magical sounds did you hear?
6. What particular smells were in the air?

Complete the five (5) minute write here, depending on your resources/teacher.
