Activity: Video Feedback

Unit Question:Why do cell phone batteries sometimes overheat?

NAME: _____

PERIOD: _____ DATE: _____

Peer Video Feedback Activity

1. Was the information accurate and relevant? Did the presentation meet the assignment requirements?

2. How was the speakers' tone and body language? Did they engage the audience?

3. Were the visuals (if any) effective and appropriate? Did they enhance the presentation?

4. Was the message clear and easy to understand? Were the key points well articulated?

5. One thing you liked about the presentation.

6. One area for improvement.

7. Suggestions on how they could enhance their presentation in the future.
